Description

OrBilge is a heavy-duty bilge and general purpose cleaner. It is a concentrated biodegradable, water soluble, semifluid gel, available in 1 litre, 20 litre and bulk containers, as required. **OrBilge** is an efficient cleaner that when mixed with water and allowed to slosh around throughout the bilges, will dissolve away oil and stubborn slimes, scums and greases.

OrBilge has a superior cleaning design that has been a proven performer over time, while maintaining a pleasant fresh, pine scent. **OrBilge** can be effectively used in both fresh and salt-water applications.

OrBilge can be additionally used on the topside of your boat, as well as on heavy-duty cleaning operations.
